District Provided Statement

Not available.

About the Report Card

State and federal laws require public school districts to release report cards to the public each year.

The federal Every Student Succeeds Act requires that states annually assign schools a summative designation that meaningfully differentiates school performance based on multiple performance measures. All states were offered a waiver of this requirement for school year 2020-2021 due to the impact of COVID-19. For more information about Illinois' accountability system please visit www.isbe.net/summative.

For additional information, refer to the [Public Business Rules for 2024 Report Card Metrics](#) and the [2024 Glossary of Terms](#).

School Snapshot

Site-Based Expenditure Per Student Spending : \$15,413

Average Class Size : *

8th Graders Passing Algebra I : *

Chronic Absenteeism : 4.6%

Teacher Retention : 90.7%

TABLE OF CONTENTS

02 | Academic Progress

29 | School Environment

33 | Students

60 | Accountability

69 | Teachers

79 | Administrators & Support Personnel

84 | Civil Rights Data Collection (2021-22)

Date: 05/13/25 0:34:05 -05:00

About the data

Academic progress data includes information regarding assessments, such as student participation rates, proficiency rates, and mean student growth percentile. Other information regarding academics may include certain touchstones, such as eighth-graders passing Algebra 1, graduation rate, and various advanced coursework information. Academic progress often is disaggregated further into demographic student groups.

IAR

What is it?

This shows the percentage of students scoring at each of the Performance Levels for the Illinois Assessment of Readiness (IAR). Each Performance Level is a broad, categorical level defined by a student's overall scale score and used to report overall student performance by describing how well students met the expectations for their grade level/course. Each Performance Level is defined by a range of overall scale scores for the assessment. There are five Performance Levels for IAR assessments:

- Level 1: Did not yet meet expectations
- Level 2: Partially met expectations
- Level 3: Approached expectations
- Level 4: Met expectations
- Level 5: Exceeded expectations

Students performing at levels 4 and 5 met or exceeded expectations, have demonstrated readiness for the next grade level/course and, ultimately, are on track for college and careers. Performance Level Descriptors describe the knowledge, skills, and practices that students should know and be able to demonstrate at each Performance Level in each content area (English language arts [ELA] and mathematics) and at each grade level/course.

DLM

What is it?

This shows the percentage and number of students scoring at each of the performance levels for the Dynamic Learning Maps Alternative Assessment (DLM-AA) for students with cognitive disabilities. DLM-AA results are not based on raw or scale scores; all data is based on diagnostic classification modeling. Standard setting allows us to look at patterns of number of linkage levels mastered across the tested Essential Elements, to which we can apply cut points to define categories of student performance. This performance are reported using the four Performance Levels approved by the consortium:

- Level 1 – Entry: The student demonstrates emerging understanding of and ability to apply content knowledge and skills represented by the Essential Elements.
 - Level 2 – Foundational: The student’s understanding of and ability to apply targeted content knowledge and skills represented by the Essential Elements is approaching the target.
 - Level 3 – Satisfactory: The student’s understanding of and ability to apply content knowledge and skills represented by the Essential Elements is at target.
 - Level 4 – Mastery: The student demonstrates advanced understanding of and ability to apply targeted content knowledge and skills represented by the Essential Elements.

ISA

What is it?

This shows the percentage and number of students scoring at each of the Performance Levels for the Illinois Science Assessment (ISA). The ISA performance levels indicate students' understanding of the Illinois Learning Standards in science for their grade level. There are four Performance Levels for the ISA:

- Level 1 – Emerging: Work at this level shows a partial application of knowledge and skills. It is superficial (lacks depth), fragmented, or incomplete and needs considerable development. Work contains errors or omissions.
 - Level 2 – Developing: Work at this level does not meet the standard. It shows basic, but inconsistent, application of knowledge and skills. Minor errors or omissions detract from the overall quality. Work needs further development.
 - Level 3 – Proficient: Work at this level meets the standard. It is acceptable work that demonstrates application of essential knowledge and skills. Minor errors or omissions do not detract from the overall quality.
 - Level 4 – Exemplary: Work at this level is of exceptional quality. It is both thorough and accurate. It exceeds the standard. It shows a sophisticated application of knowledge and skills.
-

Academic Progress

Proficiency

What is it?

The federal Every Student Succeeds Act (ESSA) requires states to assess their learning standards for ELA, math, and science. Each state may also have a general assessment for the majority of its students and an alternate assessment for the 1 percent of students with the most significant cognitive disabilities. The All Test Proficiency measure is the proficiency rate for students combining all tests. A rate is calculated for ELA, math, and science.

Academic Progress

Participation Rate

What is it?

This shows the percentage and number of students participating in standardized testing, by subject and applicable test. Some students may take the test for one subject but not another. According to Illinois School Code, all students enrolled in public schools are required to participate in the state assessment or an alternate form of the assessment. Students who participate but for various reasons do not complete the testing process (e.g., illness) are still counted as having participated.

Eighth Graders Passing Algebra I

What is it?

This shows the percentage of eighth-graders passing Algebra I. They are defined as eighth-grade students who have successfully completed Algebra I (or its equivalent) by the end of Grade 8. Successful completion is measured by earning a D or above and receiving at least 1.0 credit hour.

	All	Female	Male	Non Binary	American Indian	Asian	Black	Hispanic	MENA	Native Hawaiian/ Pacific Islander	Two or More Races	White	Students with Disabilities

About the data

School environment data includes information regarding finances as well as information regarding conditions in the classroom, such as average class size and total school days.

Illinois Youth Survey

What is it?

This confirms whether or not this school participated in the Illinois Youth Survey (IYS) for the school year. The Illinois Youth Survey is a self-report survey of eighth-, 10th-, and 12th-grade students conducted during the spring of even-numbered years. It is administered in school settings and designed to gather information about a variety of health and social indicators, including substance use patterns and attitudes of Illinois youth. IYS is supported by the Center for Prevention Research and Development (CPRD) at the University of Illinois at Urbana-Champaign. For more information, visit iys.cprd.illinois.edu. This indicator shows whether your school participated during the most recent administration year. CPRD provides all schools that participate in the Illinois Youth Survey a summary report of their results.

School did participate in Illinois Youth Survey	
School	No

* indicates non-reported data. ‡ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

School Level Finances

What is it?

Average spending per student at this school, as collected through the unaudited ESSA Site-Based Expenditure Report. Districts report the actual dollars spent in the previous school year, including site-level costs (like school staff) and districtwide centralized costs allocated to each individual school (like transportation and central office staff), divided by the school's enrollment. Districts also report whether federal or state/local sources funded the spending.

	Enrollment	Site level Per Pupil Expenditures			District Centralized Per Pupil Expenditures			Total Per Pupil Expenditures			Exclusions	Total Expenditures
		Federal	State/Local	Subtotal	Federal	State/Local	Subtotal	Federal	State/Local	Total		
School	237	\$105	\$15,307	\$15,413	\$689	\$10,650	\$11,338	\$794	\$25,957	\$26,751	*	*
District	495	\$50	\$18,534	\$18,585	\$689	\$10,650	\$11,338	\$739	\$29,184	\$29,923	\$1,859,200	\$16,671,076

* indicates non-reported data. ‡ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

School Environment

Average Class Size

What is it?

This shows the average number of students in each class at this school. Class size refers to the number of students in a classroom, specifically either the number of students being taught by individual teachers in a classroom or the average number of students being taught by teachers in a school, district, or education system

	K	Grade 1	Grade 2	Grade 3	Overall

Total School Days

What is it?

This shows the total number of days in which the school provided at least five hours of instruction during the school year. The minimum length for an Illinois public school's year is 176 days. The number of actual calendar days varies from district to district.

Total School Days	
School	177
District	177
State	176

* indicates non-reported data. ‡ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

Health and Wellness

What is it?

Days PE per week: This shows the average number of days of physical education per week per student.

Truant Minor Count: The table below reports the count of the number of truant minors in the district in the previous school year.

Truant Minors are defined as chronic truants to whom supportive services, including prevention, diagnostic, intervention and remedial services, alternative programs and other school and community.

About the data

Student data includes information regarding the student population, including enrollment and attendance data, as well as information regarding specific student groups, such as gifted students and English Learner students. Student data often is disaggregated further into demographic student groups.

230

Student Enrollment

Student Enrollment

What is it?

This shows the total percentage and number of students enrolled in this school as of October 1 of the current school year. District-level enrollment includes students attending a school in the district and students placed in private schools by the district and funded by the district. The student enrollment excludes the following:

- Students given vouchers to attend private schools
- Students placed by their parents in private schools whose tuition is paid for by their parents, but who receive special education services from their home district

Advanced Academic Programs

What is it?

Advanced Academic Programs are courses of study to which students are assigned based on advanced cognitive ability or advanced academic achievement compared to local age peers and in which the curriculum is substantially differentiated from the general curriculum to provide appropriate challenge and pace.

Students who are Identified as Accelerated: The percentage of students who are Identified as Accelerated. Assessing a student for placement in an Advanced Academic Program may include assessment of a student as accelerated, either whole grade or in a combination of one or more subjects.

Students who are Identified as Accelerated by Demographics: The percentage of students who Are Identified as Accelerated, allowing the totals to be broken down by subject and/or other demographic and programmatic factors.

Advanced Placement (AP) Testing (College Board) Exams: This shows the cumulative total number of AP exams taken and the cumulative total number of AP exams receiving a score of 3.0 or more. Upon completion of an AP course, students may choose to take the corresponding AP Exam. Illinois state law PA 99-0358 provides that a student who takes a College Board Advanced Placement examination and receives a score of 3 or higher on the examination is entitled to receive postsecondary level course credit at an Illinois public institution of higher education.

Students Enrolled in Advanced Academic Coursework: Advanced Academic Coursework includes courses in a variety of categories, all of which may or may not be offered within an individual school or district: Advanced Placement Coursework, IB Coursework, Enriched of Honors Coursework, and Dual-Credit Coursework.

Students Enrolled in Advanced Academic Coursework – Grade and Demographics: The percentage of students who are enrolled in Advanced Placement Coursework, allowing the totals to be broken down by type of coursework, grade level, and/or other demographic and programmatic factors.

Students Assessed for Giftedness by Demographics: The number and percentage of students at this location who have been assessed for giftedness, allowing the totals to be broken down by subject and/or other demographic and programmatic factors.

Students Assessed for Giftedness Taught by a Gifted Endorsed Teacher – Grade and Demographics: The number and percentage of students at this location who have been assessed for giftedness and were taught by a Gifted Endorsed Teacher, allowing the totals to be broken down by subject, grade level, and/or other demographic and programmatic factors.

Students Identified as Gifted by Demographics: The number and percentage of students at this location who have been identified as gifted in accordance with the district's gifted assessment and academic policy, allowing the totals to be broken down by subject and/or other demographic and programmatic factors.

Students Identified as Gifted Taught by a Gifted Endorsed Teacher – Grade and Demographics: The number and percentage of students at this location who have been identified as gifted in accordance with the district's gifted assessment and academic policy and were taught by a Gifted Endorsed Teacher, allowing the totals to be broken down by subject and/or other demographic and programmatic factors.

Student Mobility Rate

What is it?

A school's student mobility rate is the percentage of students who experienced at least one transfer in or out of the school between the first school day of October and the last school day of the year. Graduates are not included.

Student Mobility

	All	Female	Male	Non Binary	American Indian	Asian	Black	Hispanic	MENA	Native Hawaiian/ Pacific Islander	Two or More Races	White	Students with Disabilities

Chronic Absenteeism Rate

What is it?

This shows the percentage of students who miss 10 percent or more of school days per year either with or without a valid excuse. Illinois law defines “chronic absentee” as a student who misses 10 percent of school days within an academic year with or without a valid excuse. That’s 18 days of an average 180-day school year. Excused absences include illness, suspension, need to care for a family member, etc. Students need daily instruction in order to succeed. Chronic absentees are at risk of academic and social problems.

By Subgroups

Chronic Truancy Rate

What is it?

This shows the percentage of students who are considered chronic truants as defined in [Section 26-2a of the School Code](#). Chronic truants include students subject to compulsory attendance who have been absent without valid cause from such attendance for 5 percent or more of the previous 180 regular attendance days.

Truancy Rate

What is it?

This shows the percentage of students who miss more than 1 percent but less than 5 percent school days per year without a valid excuse. Illinois law defines “truant” as a student who is subject to compulsory school attendance and is absent without a valid excuse for more than 1 percent but less than 5 percent of the past 180 school days.

Student Discipline

What is it?

The tables below provide a summary of discipline incidents occurring over the previous school year. In the following tables incidents are broken down by column (actions taken). The tables represent breakdowns by race, gender, grade level, whether a student is an English learner, incident type, and duration of the action taken.

About the data

Summative designations are ratings that help families and communities understand how well schools are serving all students. Illinois has five summative designations: Exemplary School, Commendable School, Targeted School, Comprehensive School, and Intensive School. Targeted Schools and Comprehensive Schools receive additional funding and supports to build local capacity and improve student outcomes. Multiple measures of school performance and growth determine a school's annual* summative designation.

* Federal waivers issued in 2020 and 2021 impacted accountability. For more information, see www.isbe.net/summative.

Annual Summative Designation

Exemplary School

Schools performing in the **top 10** of schools statewide, with **no underperforming student groups**.

No Data

School Improvement Funds

Title 1 Targeted

Title I Status

Title I Status

What is it?

Title I Status indicates if an entity receives funds from the Title I grant. If an entity receives Title I funds, their status can be "Title I Targeted" or "Title I Schoolwide." Title I Targeted assistance programs must focus services to identify students most at risk of failing through multiple objective criteria. Services, including supplies, must ONLY focus on those students identified. Title I Schoolwide programs may focus services to the entire school. Schoolwide Title I Status is defined as a school with 40 percent or greater of the students enrolled classified as low income. Schoolwide programs are not required to identify students at risk and thus may focus their funding and efforts on raising achievement of the whole school.

School Improvement Funds

What is it?

Funds authorized under Title I, Part A, Section 1003 School Improvement of ESSA are allocated on a formula basis to LEAs serving the state's lowest-performing schools that are implementing comprehensive support and improvement activities or the state's underperforming schools that are implementing targeted support and improvement activities. School Improvement funds are disbursed by the Illinois State Board of Education to eligible LEAs via the IL-EMPOWER Grant to assist schools in improvement status develop, implement, and monitor effective School Improvement Plans. The purpose of the funding is to build the capacity of school leaders to implement effective school improvement practices, and the goal is to enable schools in improvement status to improve student achievement and performance outcomes and to exit status. LEAs use school improvement funding for the following types of planning and implementation activities:

- Contracting for professional services from state-approved learning partners.
- Conducting school-level needs assessments.
- Analyzing data.
- Identifying resource inequities.
- Researching and implementing evidence-based interventions.
- Purchasing standards-aligned curriculum and materials.
- Purchasing and administering local assessments for progress monitoring.
- Paying school personnel to collaborate and to develop, implement, and monitor School Improvement Plans.

Summative Designation Meta Indicator Components

What is it?

Summative Designation Meta Indicators: The accountability system has meta-indicators that are currently being validated for use as indicators within the summative designation calculations in future years. The Illinois Report Card is not reporting an overall calculation, but rather the sub-elements of the indicator calculations.

Percentage of Students with 95% Attendance in Junior/Senior year: The tables indicate the percentage of students in this district and the state who graduated with an average attendance rate of 95% or better over their junior and senior years.

Percentage of students who fall into each GPA category: The tables indicate the percentage of students in this district and the state whose GPA fell into one of four categorical ranges (as noted in the table).

Percentage of students who meet the IL SAT/ ACT Composite Minimum requirement: The tables below indicate the percentage of students in this district and the state who met the minimum composite score requirements on the SAT or ACT.

Percentage of students who have at least 1 Academic ELA Indicator: The tables below indicate the percentage of students in this district and the state who have currently met the requirements for at least 1 academic ELA indicator.

Percentage of students who have at least 1 Academic Math Indicator: The tables below indicate the percentage of students in this district and the state who have currently met the requirements for at least 1 academic MATH indicator.

Percentage of students who have identified a Career Area of Interest by Sophomore Year: The tables below indicate the percentage of students in this district and the state who have identified a career area of interest by their sophomore year.

Percentage of students who have earned 1, 2, or 3+ career ready indicators: The tables below indicate the percentage of students in this district and the state who have earned 1, 2, or 3+ career-ready indicators.

Percentage of students who have earned a College and Career Pathway Endorsement: The tables below indicate the percentage of students in this district and the state who have earned a college and career pathway endorsement.

Student Participation in Fine Arts: The tables below indicate the percentage of students in this district and the state who were enrolled in one or more fine arts courses in the previous year.

Fine Arts: Teacher Qualifications: The tables below indicate the percentage of students in the district and the state enrolled in fine arts courses taught by teachers licensed to teach fine arts courses.

Summative Designation Meta Indicators/P2 Meta Indicators/Chronic Absenteeism: The percentage of students in grades K, 1, and 2 who are chronically absent.

Summative Designation Meta Indicators/P2 Meta Indicators/Dual Language Programs: The percentage of students designated as "Currently EL" or "Currently EL Transition Incomplete" students from K, 1st, and 2nd grade who are enrolled in a dual language program.

Summative Designation Meta Indicators/P2 Meta Indicators/3rd Grade Literacy: The percentage of 3rd grade students who have received an A, B, or C (or commensurate standards) in English Language Arts (ELA).

Summative Designation Meta Indicators/Elementary/Middle School Meta Indicators/5th Grade Math: The percentage of 5th grade students who have received an A, B, or C (or commensurate standards) in math.

Summative Designation Meta Indicators/Elementary/Middle School Meta Indicators/Academic Success: The percentage of 6th, 7th, and 8th grade students who have received at least one A or B (or commensurate standards) and no grade of D and F (or commensurate standards) in core content courses in the current academic year.

Summative Designation Meta Indicators/Elementary/Middle School Meta Indicators/Student Discipline: The percentage of 6th, 7th, and 8th grade students who have received a suspension or expulsion in the current academic year.

About the data

Teacher data includes information regarding teachers, including salary, retention, and education, as well as information comparing the ratio of teachers to students.

Teacher Information

What is it?

This shows information pertaining to teachers, including experience, education, attendance, and evaluation.

	All Schools	Attendance Rate	Evaluation Rate
School	14	55.3%	*
District	14	54.2%	100.0%
State	14	66.0%	97.2%

* indicates non-reported data. ‡ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

Full-Time Equivalents

What is it?

This shows the total percentage and number of teacher Full-Time Equivalents. The number of teachers at each school varies greatly depending on the student population, schools' grade configuration, programs offered, and the financial resources of the district. This displays the race and gender distribution by FTE for teachers in (this school/this district/the state). The table shows distribution by FTE, of *full-time equivalent*. FTE counts take into consideration employees who are employed less than full time, adding together the representative percentages of their level of employment (so 2 half time/.5 employees = 1FTE). Information is gathered about the race/ethnicity of school and district teachers. The percentage of male and female teachers is also compiled.

School	61.9%	*	*
District	73.6%	*	73.6%
State	57.0%	55.8%	63.4%

Student-To-Teacher Ratios

What is it?

This shows the average number of students per teacher. Teachers classified as special education teachers are not included. Research indicates that children in lower grades show the potential for higher achievement scores when they are in smaller classes. Many factors contribute to student achievement, and class size is only one part of this bigger picture. Special education classes are not included in this calculation.

District	1	2	1	1
State	3747.4	1209.5	2091.7	4282.6

* indicates non-reported data. ‡ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

Administrators & Support Personnel

Pupil Support Personnel Ratio

What is it?

These tables display the average number of students per counselor, the average number of students per nurse, the average number of students per social worker, and the average number of students per psychologist in this entity (whether it be school, district, or the state.) The ratio is calculated by using the fall enrollment total, divided by the number of FTE psychologists. When examining school or district ratios keep in mind that the number of psychologists can vary greatly between schools and districts, depending on their size, student population, programs, and financial resources.

Student/Support Personnel Ratio

	Student/School Counselor Ratio	Student/School Nurse Ratio	Student/School Psychologist Ratio	Student/School Social Worker Ratio

* indicates non-reported data. ‡ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

Civil Rights Data Collection

(2021-22)

About the data

The Civil Rights Data Collection (CRDC) is a biennial (i.e., every other school year) survey of public schools that has been required by the U.S. Department of Education Office for Civil Rights since 1968. The CRDC collects data on leading civil rights indicators related to access and barriers to educational opportunity from early childhood through Grade 12. The CRDC collects data from public Local Educational Agencies and schools, including juvenile facilities, charter schools, alternative schools, and schools serving only students with disabilities.

Student Environment

What is it?

Data from the Civil Rights Data Collection (CRDC) comes directly from the U.S. Department of Education (ED). ED collects the data directly from ISBE and school districts and releases the information on a two- to three-year delay. ISBE also collects some of these data elements from districts and reports the results in the year it was collected. Current year data for in-school suspensions, out-of-school suspensions, and expulsions is reported by ISBE in a separate report on www.isbe.net. Current year data for chronic absenteeism can be found in the Students section of the Report Card. Please note data may not match due to differences in data collection methods.

	In School Suspensions	Out Of School Suspensions	Expulsions	School Related Arrests	Referral to Law Enforcement	Chronic Absenteeism
School	0.0%	0.0%	0.0%	0.0%	0.0%	*
District	1.2%	0.2%	0.0%	0.0%	0.0%	*
State	4.0%	3.7%	0.5%	0.2%	0.5%	*

* indicates non-reported data. ‡ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

Academic Environment

What is it?

Data from the Civil Rights Data Collection comes directly from ED, which collects the data directly from ISBE and school districts and releases the information on a two- to three-year delay. ISBE also collects some of these data elements from districts and reports the results in the year it was collected. Current year data for accelerated coursework can be found in the Academic Performance section of the Report Card. Please note data may not match due to differences in data collection methods.

School	Enrolled in PreSchool	Advanced Placement (AP) Course Work	Advanced Placement Course Work	
			International Baccalaureate (IB) Course Work	Dual Credit Course Work
School	1.8% 4	0.0% 0	0.0% 0	0.0% 0
District	0.8% 4	0.0% 0	0.0% 0	0.0% 0
State	3.9% 70,447	7.6% 137,290	0.4% 6,371	4.4% 78,721
