DOMAIN: INTERPERSONAL RELATIONSHIPS

Respect for Diversity

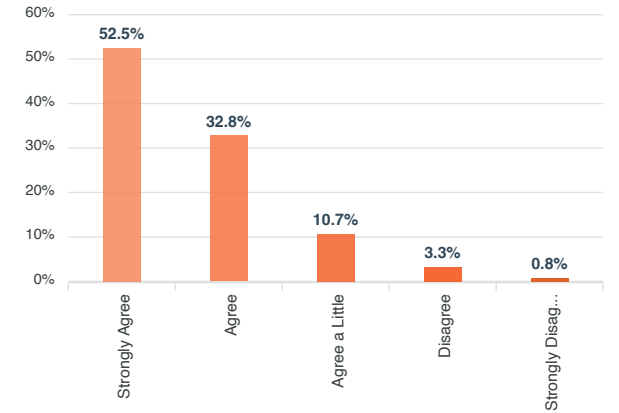

These next questions ask about differences. When answering these questions, think about how people at this school may be different from one another. Some examples of how people can be different are their race, their gender identity, their ability, or their religion. Think about your experience in your school as you read each statement below. Then, select the option that best describes how much you agree or disagree with each statement.

Adults in this school appreciate differences in students.
